

Fostering Great Ideas

In the US, there are 430,000 children in foster care.

Children who have been removed from their homes experience trauma, anxiety, and loss. Fostering Great Ideas helps children on their journey to a permanent home.

Support Children

Children in foster care need to know they matter at this difficult time of life. We guide and encourage them to succeed.

Great Ideas:

- Tutor Match®
- Life Support®
- College Fellows®

Restore Family

Healthy relationships are key to long-term healing. We encourage families in their recovery.

Great Ideas:

- It's All Relative™
- Moms Matter®
- Sib-Link®

Connect Community

Awareness leads to action and reform. We encourage communities to invest together in our work.

Great Ideas:

- Care2Foster®
- Life in Limbo®
- Speak Up®
