# *The Luminary* GALA

Join Fostering Great Ideas for our 16th Annual Gala on Friday, October 23, 2026. *The Luminary Gala* is an inspiring evening dedicated to shining a light on our mission and the lives we impact.

This signature event brings our community together for a memorable night of compelling stories and meaningful relationships. Your sponsorship positively affects children in foster care today and for the long-term.

Guests will enjoy culinary creations, unique raffle drawings, a complimentary bar, and inspiring stories of relationships and resilience.

# ABOUT FOSTERING GREAT IDEAS

*We bring great ideas to life that restore dignity to children and youth in foster care.*

Children in foster care have the lowest standardized test scores of any group, the highest level of uncertainty as to where they will lay their head every night, and abnormally high PTSD levels. Focusing on these children makes complete sense.

Fostering Great Ideas builds consistent, healthy relationships that last, regardless of the chaos surrounding these children. We bring separated siblings together to build lifetime bonds. We provide volunteer tutors for children who have moved around and fallen behind in school. For teens, we offer mentors and life coaches so they can successfully launch into young adulthood.

At Fostering Great Ideas, the children, youth, and young adults we work with not only survive - they begin to **thrive**.

**We are leaders in transforming lives.**

## Our Mission

We restore dignity and increase stability for children and families impacted by foster care through innovative solutions and meaningful relationships.

## Our Vision

We envision a world where every child thrives, empowered with hope, resilience, and a strong sense of belonging.

### **You matter.**

Everyone has value. Children in foster care need to know they matter.

### **Together is better.**

Healthy relationships are key to long-term well-being.

### **Change is possible.**

When caring individuals work together, reform will happen.
